LINDSEY PARISH COUNCIL - CHAIRMAN'S ANNUAL REPORT (2022)

The challenging times as a result of Covid-19 and the accompanying restrictions, were eased last May and since that date we have been able to resume our meetings in person in the Village Hall. Once again, I thank our clerk, councilors and other attendees for adapting so quickly to allow us to function so well throughout the pandemic.

Following our decision to some leadership and direction in the parish to help address climate change issues, Cllrs James Moore and Andrew Sturgeon have been leading our efforts and produced articles for the Lindsey newsletter to explain how the crisis has developed, how it relates to us, and what we can do to help. Thanks to both of them for their ongoing efforts to ensure the Parish Council are helping our community to change the way we live for the benefit of all.

Lindsey remains a great place to live and the Parish Council is committed to maintaining what makes our wonderful village and its community so special.

All of our meetings are open to the public with full details on the parish website including agendas and past minutes. We welcome engagement so please come along to our meetings whenever possible.

Clive Arthey

Chairman, Lindsey Parish Council.
